CHANCES CAMPBELL RIVER'S CHRISTMAS PAJAMA DRIVE

Since 2014, Chances Campbell River has been collecting pajamas for the Angel Tree's Christmas Pajama Drive. In the first year, instead of a company Christmas card Chances Campbell River used the money to purchase 63 pairs of new pjs. Since then, more than 247 pairs have been donated.

Angel Tree is a program that operates at Christmas time to provide Christmas gifts to children of Campbell River who are in need. Since 2010, they have collected more than 23,000 pairs of pajamas.

This year, Chances Campbell River has added a twist – for every new pair collected, they will donate \$10 to another charity, Camryn's Cause, an organization that strives to ease some of the financial concerns of families during a child's health crisis.

85% of Community Leaders stated that they believe the casino in their community is a **good corporate citizen.**
